Exercise 5: Promotional Social Media Post for an AI Workshop

Aim

To design zero-shot, one-shot, and few-shot prompts to generate a promotional social media post for an AI Workshop.

Algorithm

- Define the workshop topic and target audience.
- Create three prompts with different numbers of examples.
- Include workshop benefits and a call to action.
- Display the prompts.
- Compare their promotional style and clarity.

Python Code

```
Example:
Join our Python Workshop!
Learn coding basics through practical activities.
Register today and start your coding journey!
#Python #Workshop

Now create a similar promotional post for an AI Workshop.
Target audience: College students.
Mention hands-on learning, AI tools, and registration.
"""

few_shot = """
Example 1:
Learn new skills through hands-on activities.
Register now!

Example 2:
Discover technology, build projects, and connect with experts.
#Learning #Technology

Task:
Create a promotional social media post for an AI Workshop.
Include an attention-grabbing hook, benefits, call to action,
and relevant hashtags. Keep it engaging and student-friendly.
"""

print("ZERO-SHOT PROMPT\n", zero_shot)
print("\nONE-SHOT PROMPT\n", one_shot)
print("\nFEW-SHOT PROMPT\n", few_shot)
```

Sample Output

```
ZERO-SHOT PROMPT

Create an attractive social media post promoting an AI Workshop.
Target audience: College students.
Mention practical learning, AI tools, and registration.
Include a hook, call to action, and hashtags.

ONE-SHOT PROMPT

Example:
Join our Python Workshop!
Learn coding basics through practical activities.
Register today and start your coding journey!
#Python #Workshop

Now create a similar promotional post for an AI Workshop.
Target audience: College students.
Mention hands-on learning, AI tools, and registration.

FEW-SHOT PROMPT

Example 1:
Learn new skills through hands-on activities.
Register now!

Example 2:
Discover technology, build projects, and connect with experts.
#Learning #Technology

Task:
```

Result

Three promotional prompts were created successfully. They demonstrate how examples can guide the tone, structure, and style of social media content.
